TD Mutual Funds are managed by TDAM a wholly owned subsidiary of The Toronto-Dominion Bank and are available through authorized dealers.

The payment of distributions should not be confused with a fund's performance, rate of return or yield. If distributions paid by a fund are greater than the performance of the fund, the difference will be deducted from your invested capital.

Capital gains taxes deferred will be payable when the units of a fund are sold or to some extent when their adjusted cost base goes below zero. Return of capital (ROC) distributions do not constitute part of a fund's rate of return or yield. ROC reduces the adjusted cost base of the units to which it relates.
